Greetings

First I have to say what a great show Grafitti Theatre did with their "Born Yesterday" production. It was exciting, suspenseful, funny and a very entertaining and rewarding theatrical experience. So much hard work was put into this production by crew and cast and it certainly paid off. The characters were amazing and the story certainly left one to ponder about the seriousness of corruption in our government. Thanks so much Grafitti for all your efforts in bringing us this show. Everyone involved should be very proud of their efforts.

Now that the first hot long weekend is behind us, we can truly say "Summer is Here!" and there is even a little sunburn to prove it. With so much happening on our little island paradise, it was hard to choose what to do on the May long weekend. So many fun things, so little time to do it all. But no worries, there will be plenty more fun ahead for locals and visitors alike... just have a look at our Calendar of Events on Page 4 which is bursting with activities. Two sure events not to be missed this weekend are the GEMA Fundraiser Dance on Saturday Night and the Mary Williamson Performing Arts Scholarship Fundraiser this Sunday, both at Mahon Hall. It is great way to get out and support community objectives and have lots of fun doing so. And not to be missed on May 31 is the Children's Spring Carnival.

We at the Marketplace are very happy to receive so many phone calls and comments from locals who know this publication is a fantastic community service and how happy they are when they sell or buy items without having to pay an advertising fee. One reader told me how she received a phone call from Crofton and made an "off-island" deal. We were concerned that bringing the magazine to Crofton and Chemainus was not worthwhile, but now we see otherwise. We have also had success with selling unwanted items in the mag. Sean is probably planning to take his kids out on the boat that he bought from us right now, and Terry is probably making good use of the utility trailer. Drew I'm sure, has figured out the best way to make his mooring line and some little kid out there is enjoying a green ride on tractor. There is a lot of satisfaction in being able to see unused "junk" being used happily by new owners. We also take pride and satisfaction in knowing that although we are printing on paper (trees), our service helps in recycling and keeping our landfills a little less full.

Enjoy this issue and when you're done, pass it on. – Sandi & Andrew Poystila

Gala Event: May 25 The More the Maryer

Sunday May 25 will mark the 9th annual variety show with proceeds going to the M.C. Williamson Scholarship Fund. This fund has been administered by friends of the late Mary and Harry Williamson.

Mary Williamson

Mary Williamson will be remembered by many as a principled woman with cutting wit, and a master of dramatic delivery. She was an original member of the Hysterical Society, and a frequent contributor to the "Letters to the Editor" with strongly held opinions.

The scholarships are to assist Gulf Islands highschool graduates who are choosing to seek further training and education in the performing arts.

This gala event showcases performances from the scholarship applicants, and a silent auction offering select island treasures. The evening also features our own Peter Prince, well-known singer, songwriter, and film-maker; comedians Shilo Zylbergold and Reid Collins; musician Terry Warbey; the musical voice of Barb Slater; clown styling with Sue and Patrick; theatrical accents by students of Stagecoach Theatre School... with a rousing introduction by the pipes and drums with Jan and Jim.

MC for the event is our well-loved buffoon, Arvid Chalmers, with his sidekick Dustin.

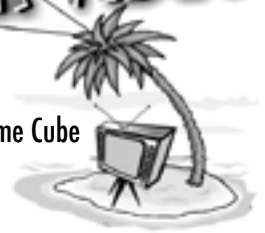

Delicious goodies will be available during the intermission, provided by Maggie Warbey and friends.

The first of these scholarships was awarded in 2000 to Caitlin Brownrigg, and last year's scholarship went to Dejan Loyola.

Tickets for this event are \$12 for general admission, and \$7 for students and seniors, with advance sales at Acoustic Planet, or at the door at Mahon Hall. Performances begin at 8 pm, but the silent auction will be available for viewing at 7 pm.

The Islands Marketplace HOROSCOPE

For your daily stars,
personal horoscopes & more
visit www.patrickarundell.com

Bi-weekly horoscope contributed by Patrick Arundell. Visit his website at www.patrickarundell.com for more great features... see below.

ARIES Mar 21st - Apr 20th

The desire to have your say grows. If you're just as determined to hear others out - great - a true flow of ideas, thoughts and emotions can go back and forth. However, Mercury can make mischief as it begins a backward spin. Very easily good intentions can go astray on the back of misunderstandings. Words and documents will need extra care therefore.

TAURUS Apr 21st - May 21st

Venus glides into the most sensual of chart areas, and both your sweet tooth and love of sweet nothings can be triggered. However, someone can be tricky about the cash they owe, so you'll have to stay firmly on the case - if you don't want to risk losing out. Midweek can see you highly motivated around home changes, you may even do some DIY!

GEMINI May 22nd - Jun 21st

Feeling more alert? Leapt out of bed at the crack of dawn? Ready to take on all-comers? You've the recent arrival of the Sun in your sign, to thank. This week, Venus arrives too. If you've been plagued by uncertainties around your love life, or there's been a parting of the ways, a chance to begin again. Generally, you can find folk much more receptive to you.

CANCER Jun 22nd - Jul 23rd

If someone tells you something in confidence, it may put you in an invidious position. Perhaps you'd rather not be party to what they share or you don't agree with them on a delicate subject. Be guided by your own moral code Cancer. The upside is that confidential discussions connected to business can go well - as long as the terms of reference are clear.

LEO Jul 24th - Aug 23rd

You can be the leader others gather behind and particularly mid-week. If there are big targets that you aspire to, these too can power forwards. And you can also find yourself with lots of choices when it comes to who and where you spend your leisure time. Yet despite this, last minute changes of plan are almost a certainty. Try to take these in your stride.

VIRGO Aug 24th - Sep 23rd

If our worldly role were based on an exact, strictly drawn up contract, we'd all know what was expected of us. Yet much of what we do is governed by an innate sense of a right and wrong, and by the knowledge that basic decency, despite its flaws and inconsistencies, governs our conduct. Yet, you may become a bit baffled by what's expected of you now.

LIBRA Sep 24th - Oct 23rd

The world is your oyster, but if this isn't obvious, the trick will be to spot and then prise open any opportunities. And if you still remain unsure, ask someone who can give you some solid guidance. However, the likelihood is that you'll have the drive and nous to do this on your own. Independent thought and actions are going to come more easily to you now.

SCORPIO Oct 24th - Nov 22nd

Your sex appeal skyrockets and with the warmer weather kicking in, it'll feel good to be at your alluring best. Financial prospects are split. A property deal can hit a snag or you can be confused as whether to move or stay put. Keep a firm grip on your business interests or personal investments and they can do well. A partner's expertise can be key to progress.

SAGITTARIUS Nov 23rd - Dec 21st

Whether a bustling street in a village or a huge thoroughfare in a city, there's something highly stimulating about being around people going about their business and the whole concept of interaction can take on an added edge. And Venus's super harmonising vibe can lead to great responses. Choose to meet people half way, there's such a lot to gain.

CAPRICORN Dec 22nd - Jan 20th

Formal affairs require an unstinting attention to detail. For as soon as you take your eye off the ball, you're likely to get caught out. Yet being disciplined can have its upside. Savings can be made on everyday costs, and you'll show a steely determination to get the best deals. Try to amuse or flatter a tricky face. They'll soon melt under a charm offensive.

AQUARIUS Jan 21st - Feb 19th

There's a side of you that can be perfectly happy alone, and another that loves to join in with the gang. And it'll be the latter that now comes to the fore. All sorts of amusements can take on more appeal, and whether it's flying a kite with the kids, to getting up and doing a star turn on the karaoke machine, you can shine. Most of all you need to feel involved.

PISCES Feb 20th - Mar 20th

If gardening is a passion you can find yourself happily immersed. Growing your own vegetables can also give you enormous satisfaction. Then again if you've a home-based hobby this can seem more pleasing than usual. Unspoken truths in the family may however cause concern. A kindly member of your clan may help to mediate between different factions.
