What's All the Buzz About?

If you were in downtown Ganges last Sunday then you'll have likely heard the buzz from locals who are fed up with the Islands Trust. A rally hosted by the Islanders for Self Government was held at Centennial Park with the Queen (aka Reid Collins), Mickey McLeod, Arvid Chalmers, Kimberly Linegar, Ken Marr and Senator Larry Campbell among others who spoke about the need for change. Too many people

have fallen victim to an unfair and undemocratic system run by the Islands Trust and the huge media presence will hopefully get this message heard. At least Big John riding his tractor in the buff gave us all something to talk about!!

New islander Miro Mrozik who bought the former Stone Walrus Gallery has been hard at work creating his new guest suite and jewellery gallery. Stop in and say hi to Miro and his partner Hiro.

Much appreciation goes out to all those special islanders who go out of their way to help others. This was the case when I needed

to get to work on time, but also needed my kids car seats from our SUV, which was locked up in the tow yard (Thanks off-island RCMP!). Johann, whom I just met outside the gate, offered to get my car seats and deliver them to my van, while I got to work on time. THANKS!!!! JOHANN. You rock!

Thanks also to Kevin Zazula of Salt Spring Tours for hosing a Chamber Mixer aboard his Dinner Cruise boat a couple Thursdays ago. Lots of fun, great food and excellent value!!

Check out ArtSpring's Treasure Fair is on July 15, 16, 17... with lots of great deals and a live auction hosted by Arvid Chalmers on Saturday Night.

Check out our Summer Contest featuring a self-guided Scavenger Hunt. Find Salt Spring Landmark locations from the clues listed on Page 17 and submit your answers to win gift certificates from local business, 1/2 day kayak paddle for two and the Grand Prize draw of one nights accommodation at Salt Spring Spa Resort!!

Story by S. Poystila
Photo by Samantha Parker
Cartoons and Bio by Dennis Parker

Mary Lou Bompass of Old Salty and cartoonist Dennis Parker proudly display the new line of comical magnets, coasters and T-shirts.

Being an editorial cartoonist is no easy task. It takes artistic skills and talent, patience, wit and humour and the keen sense of telling a controversial story with usually only one frame or image and not many words. Dennis Parker does it all perfectly.

He hits the nail on the head with his ability to find humour in the senseless and mundane situations in island life. His character portrayal and layout and design skills are first class in industry standards.

Dennis has decided to market his work for the masses, with professionally made coasters, magnets and T-shirts. If you've always had a soft spot for one of his particular cartoons, now is your chance to show it proudly. Visit Old Salty at the Mouat's Trading Building in Ganges to view the cool selection of cartoon classics.

Great Work Dennis ~ Thanks for sharing with us and keep on showing us the humor in our island life!

ABOUT DENNIS:

Dennis Parker has been the Gulf Islands Driftwood's award winning cartoonist for some 20 years. Before that he'd lived in various parts of the world, including the American South, Central Africa, Israel, Mexico, Europe and Ontario, where he grew up and went to McMaster University. Before moving to SaltSpring in the early 80's he had various and temporary careers as a radio announcer, draftsman, ditch digger, chauffeur, steel worker and butterer of toast. Since coming to SaltSpring he's also been a bartender, ferry worker and a long time employee of the government liquor store. He continues to draw and pursue his long abiding interest in Zen Buddhism and the perils of the stock market. He and his girlfriend, Krista live near the water with a cat who doesn't care about any of this.

When visitors think of BC's Recreation and Adventure Capital, they might think of Whistler or even the Comox Valley before considering Salt Spring Island. The largest of the Gulf Islands, Salt Spring is definitely an ideal destination for Outdoor Adventure and fun activities.

There is so much to do here, by car, boat, foot, floatplane or you can even rent a scooter. It's no secret that people visit us to experience our unique island lifestyle, the arts, crafts and music scene, healthy, organic food and to just get away from it all. But there is also excellent opportunity for recreation and adventure around every corner. Leave no stone unturned when you visit us, as we have treasures worth finding and experiences worth sharing again and again, with locals and visitors alike.

Here's some ideas for fun and excitement... island style.

HIKING:

A vast variety of hiking trails awaits you on Mountains Maxwell, Erskine, Tuam and Bruce, as well as the smaller trails marked by yellow text trailhead posts. Many of these lead to public beach access. You will find a suitable forested walk that meets your fitness level and pace on our hiking trails.

TOURS:

You can enjoy the sights of the island from a scenic air tour by float plane, or a horse and carriage ride through Ganges, a dinner cruise and boat tour, or a self-guided gallery walk or studio tour. Check with the visitor centre for the different tour companies and what they offer.

Another idea is to get a group of friends and go on a Scavenger Hunt Tour of the Island in The Islands Marketplace Summer Contest... Find the clues on Page 17 and submit your answers to win some great prizes, including kayak paddle for two, nights accommodation, gift certificates and more!

KAYAKING:

No matter what your level or experience, the team at Island Escapades will comfortably guide you through the waters of the Gulf Islands, with ease and excitement. They specialize in eco-tour adventures, kayaking, summer camps and marine tours. You can choose a full moon paddle (highly recommended) or new this summer: a dinner paddle with local restaurateur Max del Vecchio.

GOLFING:

Two excellent courses to choose from on Salt Spring Island include the SSI Golf & Country Club and Canada's #1 Organic Golf Course: Blackburn Meadows. Quietly tucked near Blackburn Lake off Blackburn Road, this golf course offers a serene forest setting with challenging holes and pleasant, helpful staff to assist you.

Visitor Rachael Beckley's July 5th birthday Adventure included kayaking to Russell Island, wine tasting and dining at Shipstones! I think she'll be back!

WINE TASTING

Quickly becoming known for our colder climate grapes and delicious wines, the Gulf Islands vineyards offer enjoyable daily wine tastings in beautiful settings. With live local music as the highlight at Salt Spring Vineyards, friendly ducks near the pond and fun events planned for visitors, you can't miss visiting one of our local vineyards. Mistaken Identity, which is located close to Ganges, is a certified organic vineyard which offers daily wine tastings from noon to 5pm. Garry Oaks Vineyard has an interesting labyrinth to stroll.

YOGA RETREATS & CLASSES

Healthy Living is big on Salt Spring and Yoga is a huge part of it. The Ganges Yoga Studio has recently moved from Grace Point Square and has expanded to two locations on Kings Lane and at the Harbour House Hotel. The Santosha Yoga Retreats offered by Dorothy Price will refresh you physically, mentally & spiritually. Choose from different yoga retreat locations and dates.

SAILING & CRUISING:

When on an island, do as the islanders do, and that has to include some sailing. If you have never been sailing, this is a must-do adventure. The quiet freedom of moving through the water, with only the wind as your power will enlighten and inspire you. Captain Don Mellor of L'orenda Sailing Charters provides an exceptional afternoon sail in local waters. Another must-do experience is a dinner cruise with Salt Spring Tours. If fishing is in the cards there is nothing more exciting than West Coast Salmon and Halibut Fishing with Pacific Sports Fishing Charters, located in Port Renfrew.

NIGHT LIFE:

No we don't have a Studio 54 or Hard Rock Cafe, but us islanders are keen to meet at Beaver Point Hall for some of the best summer dance parties ever!! This year, mark Aug. 14 on your calendar as Interchill Records is hosting a great time... Dancing on the dock is popular on summer nights in Ganges and Moby's Bar & Grill is a crowd pleaser with live music on the waterfront.

Salt Spring Island is our home, and yours to discover... Invite your friends and family to share in the abundance of what our island life, people and businesses have to offer. This summer, you can ask yourself "Why go anywhere else, when we have it all here?"

Up, Up, and Away - Take it Away!

It's that time of the year again! Time to donate to the ArtSpring Treasure Fair! Help us celebrate a decade of donations. Yes, this is the 10th anniversary of the Treasure Fair.

This year's theme is "Up, Up and Away - Take it Away". Lighten your load by letting us take away any items you no longer need or want.

Even if you don't have a work of art or an item of furniture to offer, you may be able to donate your time and expertise. Perhaps you could donate a free piano lesson, dog obedience class, a sailing lesson, gourmet cooking class...or teach a fellow islander to milk a goat or shear a sheep. There are countless ways you can help the ArtSpring Treasure Fair meet its fundraising goal this year.

ArtSpring is Salt Spring's performing and visual arts organization dedicated to the needs of the community. It provides a showcase for international and local performers, gallery space for visual artists and workshops for community members of all ages - where they can study and create. It is the heart of our cultural and artistic community.

To make a donation, please call Nighean Anderson at 250-931-0931.

Mark July 15-17, 2010 in your calendar and come out to this special event. It is always fun and you can find some fabulous bargains. In addition to the Live and Silent Auctions there will be a Cash 'n Carry room for immediate sale of items under \$50.

Help make our 10th anniversary "A Perfect 10"!

"THE COWICHAN CONNECTION"

• EDITORIAL & EVENTS FROM CROFTON & THE COWICHAN VALLEY •

"It's all about passion, not the money, that's what any real cook will tell you," and that's exactly what Shawn Sisk of Lito's Cafe told me when I asked him why he loves to cook.

Since purchasing Lito's just over 3 years ago Shawn and Linda have brought the best of their mom's homecooking recipes to Crofton's quaint coffee shop and galleria.

While Linda's background is in finance and credit lending, Shawn has been a professional cook for over 15 years, with an Interprovincial Red Seal Cook Certificate. He has apprenticed in 4 and 5 star hotels, cooked in large camps and worked as support staff at colleges.

Basically a coffee shop with light lunches, you can't beat their "take home and heat" comfort foods from the freezer - it's the best of what Mom used to make. Chicken Pot Pie, Shepherd's Pie, sweet and sour meatballs

At Litos you are treated like family, with coffee cards and even muffin cards so after 10,

Lito's Cafe and Galleria in Crofton welcomes you.

one's on them! There is something for everyone, even health smart muffins with half the oil and sugars.

The galleria offers high quality artisan-produced items from Salt Spring and Vancouver Island.

When asked why Lito's is so special... "It's all about the people, the staff and the customers. For Linda and I, it's like inviting friends over."

So if you want to feel like family, then Lito's Cafe in Crofton, BC, is the place to be.

Bi-weekly horoscope contributed by Patrick Arundell. Visit his website at www.patrickarundell.com for more great features... see below.

ARIES Mar 21st - Apr 20th

You can find yourself on a practicality drive and especially on the home front. This may see you purging the place of anything which no longer plays a role and heading for your municipal recycling centre, with any surplus items. Professionally, Venus's potent angle with powerful Pluto suggests a new job or improvement in your situation beckon.

TAURUS Apr 21st - May 21st

Your life can benefit from a completely fresh approach. However, if you're happy in contended familiarity, it could feel scary to throw over comfy elements but this needn't be revolution as much as evolution. You know the things you treasure so you needn't focus on these. Instead look to the stale, repetitive routines or attitudes that are ripe for a change.

GEMINI May 22nd - Jun 21st

A car boot sale can reap some nice spare loot and there can also be good news on the cost of a home premium renewal. If you're interested in making moves in the property market, the shift of Venus and its angle to Pluto, can give you the momentum to go for what you want. A dream abode can follow or a tasteful makeover to your existing residency.

CANCER Jun 22nd - Jul 23rd

A very significant Solar Eclipse in your sign, and a super link to Mars, can do your prospects wonders in the second half of the year. You will gain momentum almost straight away, and although this can be important for personal aspirations, your love life can revive splendidly too. If you meet someone this week, it could change you forever.

LEO Jul 24th - Aug 23rd

If you're involved with someone it can thrill if your partner spoils you with a gift. Whilst this in itself can be nice, the thought is likely to mean more to you. If you need to check out mortgage products or write a business plan, things ebb in your direction. However, it's essential that you don't skimp on your research. Cash luck can be linked to a workmate.

VIRGO Aug 24th - Sep 23rd

Collective projects can be fortunate for you. This doesn't mean that you have to stop being individualistic, far from it. The people who accept you for who you are yet share a common interest or cause won't mind you having your own voice at all. With Venus joining your sign and angling with Pluto, a deeper, more caring love can emerge. Savor it.

LIBRA Sep 24th - Oct 23rd

You may have been asserting yourself more recently, perhaps in chasing worldly opportunities. Now there can be invitations linked to this too. It can be nice to feel that you're someone that others feel, counts. Yet if you are in a close love relationship, are you spending enough time with your partner? Solo? A secret tryst can emerge through work.

SCORPIO Oct 24th - Nov 22nd

There is a veritable feast of astral activity this week, starting with a stunning Solar Eclipse in the most outgoing and trailblazing part of your situation. Moreover, with Mars offering fantastic drive in support, this can a brilliant time to be more daring and make significant changes in your life. At work, build your network; an associate may help ease your path.

SAGITTARIUS Nov 23rd - Dec 21st

Venus begins to soften some of the harshness that Mars has inflicted on your ambitions. Although you shouldn't stop flagging up what you can do, you still need to be able to get along with others. No person is, after all, an island. Get the balance right and decision makers will become more receptive. Long term finances can also be given a boost.

CAPRICORN Dec 22nd - Jan 20th

A marvelous Solar Eclipse injects a fantastic shot of energy into your relationship sector, and this can give an ailing tie, new life or propel someone sparkling into your world in the next six months. With Mars' support this is a go-getting and energizing influence which can see you up for challenges and sportier activities, in the second half of the year.

AQUARIUS Jan 21st - Feb 19th

It may not sound terribly enticing Aquarius, but lots of practical areas are pepped up now, which can include a pick-up in your health and vitality. If you work for yourself, the second half of the year can see all your hard work start to pay off. Keep doing the creative things you do, but add a bit more discipline, and you will soon race to the finishing line.

PISCES Feb 20th - Mar 20th

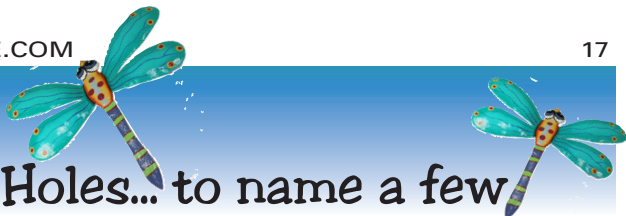

You're getting the chance to engage with people, more than you've done for some time. This week? Well... yes, but for the rest of the year too. This could also be a significant time for your love or social lives. If you are already settled, provided you both show the same commitment, things can truly flourish. But all this requires a little bit of panache.

This is what I was thinking...

Secret Beaches and Swimming Holes... to name a few

As the anticipation of summer approaches and we are all trying to get the most out of our summer, with the kids out of school and some of us lucky ones with holidays, we try to find the best and greatest things to do.

Some of us have our traditional camping trips, some of us will try new things. This year I am going to tackle the Kayak. To explore the surrounds of our beautiful island I believe someone who knows the island and all its surroundings would be the way to go.

There is day tours, multi day

expeditions and just recently I found out there is a 4 day women's only Transformative Kayak adventure www.saltspringadventures.com. Also the well known Island escapades at www.escapades.com. There is quite a few different places you can rent kayaks and as adventurous as I think I am, I think it will be the day tour for me and the boys.

Scooter rental touring all over the island on a scooter ~ Love that idea, except when I am in the car with someone who hates them on the road then I am a silent one.

Swimming and beach fun ~

WOW! do we have a lot... I guess that goes hand in hand with being on an island. To name a few beaches we like to frequent ...

* Beddis Beach - for the ocean crispness and beautiful beach this is for you.

* Cusheon Lake - this has a nice beach, dock to jump off and the water is warm but get there early.

* Churchill Road - great beach, lots of room, the kids like to explore the rocks and secret coves.

* Vesuvius beach - a favourite among a lot of islanders - warm water, watching the ferry

come and go through the day is a great sight and the sunsets are fantastic.

* St. Mary's Lake - a very popular swimming hole warm, sandy patch at the access and a gentle ease into the deep.

This names a few and of course I can't name a few others cause they are a secret...ooooops

With so many trails, beaches, kayaking and scooter rentals, just by chatting with everyone you will get new and exciting ideas to do this summer. I of course will have a few BBQ's with family and friends this summer. Cheers
